How You Can Help

As a charitable organization, the Canadian National Autism Foundation strives to raise funds to achieve our goals and it is with the support of generous organizations, companies and people that we are able to put together fundraising events such as those we have had in the past in order to raise the funding needed.

At this time we are looking for financial support, and this can come in various forms:

- Sponsorship of portions of our events
- Donations of prizes for our events
- Purchase of tickets to our events
- Financial contributions directly towards our goals (i.e. research)
- Casual Dress Days
- Payroll Deductions
- Host a Golf Tournament or Hockey Tournament
- Sponsor or run a Walk-a-thon
- And any other great ideas that you may have, big or small!
