## About the Canadian National Autism Foundation:

The Canadian National Autism Foundation was formed in June 2000, by parents of children with autism. The foundation is completely run and administrated by unpaid volunteers. Our foundation is funded by donators, and fundraising events put on by others as well as the foundation.

### **Foundation Goals**

The objectives of the Canadian National Autism Foundation are charitable. The Canadian National Autism Foundation has been formed to provide funding for:

- \* Educating the general public and professionals
- \* Providing information and resources to families of people with autism

### **Mission and Vision Statement**

The Canadian National Autism Foundation promotes the positive enhancement and quality of life for people with autism in Canada.

As we are a charitable organization, and are run completely by volunteers, we rely on generous contributions from organizations such as yours to further our goals. Each year we hold various fundraising events such as Autism Fashion Show for April Autism Awareness Month (all models of all ages on the autism spectrum model), Autism Sports/Celebrity Guest Speaker Night with Dinner, Dance and Live Auction in the fall. Our Foundations has Autism Race events at various speedways that are held in 4 provinces. These events encourage inclusion of the community and those on the autism spectrum that families feel so welcomed and excepted and we also have Our Autism Walk with Family Fun Day and more.

## How You Can Help

As a charitable organization, the Canadian National Autism Foundation strives to raise funds to achieve our goals and it is with the support of generous organizations, companies and people that we are able to put together fundraising events such as those we have had in the past in order to raise the funding needed.

At this time we are looking for financial support, and this can come in various forms:

- Sponsorship of portions of our events
- Donations of prizes for our events
- Purchase of tickets to our events
- Financial contributions directly towards our goals (i.e. research)
- Casual Dress Days
- Payroll Deductions
- Host a Golf Tournament or Hockey Tournament
- Sponsor or run a Walk-a-thon
- And any other great ideas that you may have, big or small!

### **Disclaimer**
