MCCOYS TO HOST FIRST RESPONDERS NIGHT

Dundas' community is filled with heroes -and many of them don't wear capes. Many wear fire, police, and paramedic uniforms instead. On Friday, February 27th at 7:30 pm for their final regular season home game, the McCoys will honour these heroes during First Responders Night at the J.L. Grightmire Arena, with the Catharines Saints serving the evening's opponents.

The night will feature a ceremonial puck drop with representatives from Hamilton EMS , Fire and Police, and mascots from each of the emergency services will be on hand to meet young fans.

The team owner has reached out to honour local Paramedic's for this home game.

Tickets are \$15.00. Every ticket sold will go to a local Charity.
Local 256 Paramedics have decided to donate to the Canadian National Autism Foundation.

Please come enjoy the evening and watch the Dundas Real McCoy's. Hopefully we could count on you to participate in supporting a local hockey team.

START TIME: 7:30pm

Great News

We have Started A New Program

Our foundation has started an **Art Program** that is now part of the Autism Support Group every month. There has been such great gains with some. With communicating, interacting, relaxed, enjoyment, Excited to come back the following month

Our Foundation Has Partnered in with the MasoniCHIP Ontario Program

This program uses modern, police –approved techniques to create a child identification kit for the ones you love. The kit collects photo, video, voice recordings, digital fingerprints, saliva swabs as well as traditional statistical information (height, weight, hair and eye color, etc).

This information is matched to work seamlessly with Ontario`s law enforcement providers. By being so compatible, the critical identifying information can be broadcast and shared more quickly than ever before to assist with the safe recovery of missing children

Hamilton Police Continued Partnership

We are on our 2nd year of Partnership with Hamilton Police working on De escalating Training in person as well as many other things to help the community and beyond. Also our foundation is working together with the police to bridge the gap with families, community with working on some projects we have in the works.

Lots of exciting news to come.

Ontario Pre Budget

Our Foundation CEO Tina has been involved for the 4th year in a row through the Finance Minister's Office or the Solicitor General's Office to be one of the selected few to be chosen to be part of the Pre Budget.

Education Ministers Office (EDU)

Also our foundations CEO was very honored to be given the opportunity to be in talks with the Education Ministers Office with the Happenings with the School Trustees. Some small things implemented. Not a full restructuring like it was to be. The brakes were put on for now. It's a start. She said it was great to have ideas going back in forth and being asked honest questions and possible solutions. Again it's a start.

How You Can Help

As a charitable organization, the Canadian National Autism Foundation strives to raise funds to achieve our goals and it is with the support of generous organizations, companies and people that we are able to put together fundraising events such as those we have had in the past in order to raise the funding needed.

At this time we are looking for financial support, and this can come in various forms:

- Sponsorship of portions of our events
- Purchase our foundation items online on our website or come to our office gift shop and purchase something
- Donations of prizes for our events
- Purchase of tickets to our events
- Financial contributions directly towards our goals (i.e. research)
- Hold an Autism Day at your establishment
- Casual Dress Days
- Payroll Deductions
- Host a Golf Tournament, Hockey Tournament, or Baseball
- Sponsor or run a Walk-a-thon
- And any other great ideas that you may have, big or small!
