Dear Ms. Fougere,

Thank you to the Canadian National Autism Foundation for your recent gift of \$5,000 to Lions Foundation of Canada Dog Guides. We are extremely grateful for your partnership. As you know, the Foundation relies solely on donations from individuals, service clubs, organizations and corporations and does not receive any government funding. Your generosity is so important to our charity and will make an enormous difference in supporting our Mission and allowing us to provide Autism Assistance Dog Guides.

Dog Guide recipients tell us time and again that the impact of their partner Dog Guide goes far beyond the sum of its skills. These special canines are life-changing and life-saving. They offer independence and opportunity, opening doors and allowing children on the spectrum to live life on their terms. Dog Guides provide safety and security, as clients know they are never alone. They always have their furry friend to watch over them and be there for them.

Together, we are transforming lives and families by creating exceptional partnerships between people and Dog Guides. Thank you for continuing to be partners in this journey.

With much gratitude,

Danielle Rosenblum
